Technical Standard: **EN 13634:2017** Protective footwear for motorcycle riders – Requirements and test methods.

Intended use: use by motorcyclists for daily on-road/touring activities OR off-road/all-terrain motorcycling (according to specific properties – see relevant Information Notice).

Size range: from EUR 36 to EUR 50

EU Type Examination Certificate

Date: 2019/08/09

n. **084193203/OE**

Validity:
2024/08/08

Technical File: **DC-10853/E**

Test report: **RCT n° 3811308/E**

Functions and performance levels: **Requirements according to EN 13634:2017:** all mandatory ones, among which:

| | |
|---|----------------|
| Height of upper | level 2 |
| Impact abrasion resistance of the upper | level 2 |
| Impact cut resistance of the upper | level 2 |
| Transverse rigidity of the whole footwear | level 2 |

NOTE: The Technical Standard provides 2 performance levels with level 2 meaning the higher performance.

Marking: printed on stitched labels showing the following information:

CE Marking:

- Name/Trademark of the Manufacturer + complete address (on a different label);
- pictogram indicating motorcycling use + nr / year of the Standard of reference + levels of performance reached during laboratory tests;
- the "i in the booklet" pictogram inviting the user to read the User Manual;
- designation of the footwear (alphanumeric code: unique/unambiguous);
- size of the footwear (US + EUR + JPN);
- additional information: "Made in...", "Designed and developed in...", internal codes, date of production (month – year, on a different label).

Viale Enrico Fermi, 5
Asolo TV 31011 Italy

POxxxxx - M12 - 2019

NOTE: The Technical File contains a more detailed description of the PPE (material, method of assembly, photographs or drawings), performance data, safety functions and level of protection, elements of conformity to the basic and supplementary requirements. The Technical File is integral part of the present Certification, which has to be kept available by the applicant to be forwarded - upon request - to the entitled person (supervising body, Controlling Officer).
